

Hamburg, 9 March 2011

Dear Mission-Net friends,

We have many reasons to be thankful. As I mentioned in December, we were faced with the big question of **how we were going to pay the deposit of 10,000 Euro for the venue in Erfurt.**

I am really glad to report that we **received 10,500 Euro** in donations for this deposit.

Thank you so much for your generous and encouraging support.

Many things have happened since then and we are now able to focus on the preparation of the 2nd Mission-Net Congress. I am really looking forward to engaging with the topic of "Transforming your world" with fantastic speakers. I am convinced that participants will be deeply touched and encouraged.

While preparing for Mission-Net 2011/12, however, I have become aware of the **great financial burden** this conference will place on many young people from numerous European countries. **Many young people will not be able to pay the conference fee of 199 Euro**, which we need to cover our costs.

The conference fee should not hinder anyone from attending Mission-Net 2011/12. Do you agree? My dream is that representatives from all 56 countries that are connected to Mission-Net attend. Is this dream too big?

As to the purpose of my letter today. We are planning to provide a discounted price to young people who cannot afford the registration fee. Thereby we hope to ensure that really EVERYONE can attend the conference.

But we need YOUR help to make this happen. Our expenses per participant remain the same. Therefore I would like to ask you for your support TODAY to help provide a discounted price to participants who cannot afford the registration fee.

We would like to offer a discount of 100 Euro. Would you consider donating a financial gift of this amount? No matter how much you are able to contribute, your donation will help us make this a reality!

We hope to raise **10,000 Euro** to offer discounted prices.

Your donation, no matter of what amount, counts double. A mission organisation has offered to match every donation made towards providing poorer teenagers and young adults a discounted entry to Mission-Net 2011/12.

That means that your donation of 100 Euro, for example will be "worth" 200 Euro in reality. Your donation will be matched, thus doubling the impact made.

Thereby many young people will be able to engage with “Transforming our world”, a theme that I am already very excited about. Your donation will make a positive difference in the life of atleast one person. Thank you again for your consideration.

Please mark “Discount” upon payment into our Mission-Net bank account at the ABM:

Please also pray for the Mission-Net conference! **Prayer is very important and during our time of preparation, we continue to experience how God is answering prayer.** God is so good!

PS: Please help Mission-Net offer a discounted price to young people who cannot afford the conference fee. We cannot do this without your help!

THANK YOU!
