## Mission-Net – Christmas, we need your help!

Dear Mission-Net Friend,

In 20 days the 2. Mission-Net conference will take place. This time we will be in Erfurt, Germany and we expect, based on the experience from the past, almost 3.000 participants from over 40 different countries in Europe.

So far 2.200 young people have already enrolled for the conference. Even we're helping the countries from East and South Europe with a special discount application fee, the current financial crisis is still a challenge for many young people. The number of participants is behind our expectation and that's a financial problem for us, which we'd like to solve with your help.

**We urgently need 80,000 Euro in donation to finance the Mission-Net conference and as well the non-profit organization.** Mission-Net e.V. is a unique ministry for Europe under the umbrella of the European Evangelical Alliance and the European Evangelical Mission Alliance.

**Could you help Mission-Net with a special Christmas donation to help us to fill the financial hole of 80,000 Euro, please?**

We already have received 100,000 Euro in donation and we trust God that the total budget of 890,000 Euro for the congress will be financially covered and friends are there to help us with a donation.

Please pray with us, that the Kingdom of God will be built through this conference and that young people will find their calling to live a missional lifestyle to change their society.

Please support us and use the following bankdetails for your donation:
