

Prayer Application Form

Prayer is an important ministry at Mission-Net. We want to support the participants and the whole congress with prayer. If you are interested in one of these ministries, please tick them and send the form back to us and we will contact you.

Germany

Intercession (full time*)

We want to have a group of people praying for the congress beforehand, during and afterwards. There even could be 'adopt a participant' prayer from people around Europe.

Prayer to go (full time*)

During the whole time, we would love to have people who wander around the site wearing a T-shirt with the slogan "Prayer to go". People can just go to them and ask for a prayer if they want to.

Altar calls (part time*)

At the evenings where an altar call is set, we need people in front of the stage, where people can make their commitment and receive blessing.

Prayer zone (part time*)

There will be a prayer zone right next to the art zone. This should be a place to find some rest and peace. The theme will change everyday and relate to the themes on the plenary stage.
